Teaching Assistant, The Science of Happiness	Fall 2026
Undergraduate course, Department of Psychology, Yonsei University	
Teaching Assistant, Psychology of Interpersonal Relationships	Spring 2026
Undergraduate course, Department of Psychology, Yonsei University	
Graduate Assistantship, Lab Manager	Fall 2025
Social & Cultural Psychology Lab, Yonsei University	
Teaching Assistant, Cultural Psychology	Spring 2025
Undergraduate course, Department of Psychology, Yonsei University	
Academic Merit Scholarship	Spring 2022
The Catholic University of Korea	

CONFERENCE PRESENTATIONS

* indicates equal contribution

Shin, J. E., **Lim, H.**, & Kim, Y. H. (2026, May). *How I see myself or how you see me: Gender differences in the relative weight of self- and partner-perceptions for relationship well-being*. [Poster presentation]. Korean Social and Personality Psychological Association, Seoul, Korea.

Lim, H., Shin, J. E., & Kim, Y. H. (2026, May). *When anxiety buffers but avoidance persists: Attachment configurations and relationship functioning across the marital transition*. [Poster presentation]. Korean Social and Personality Psychological Association, Seoul, Korea.

Lim, H.*, Kim, G.*, Kim, D.*, & Kim, B. (2024, July). *Cognitive behavioral therapy versus mindfulness-based intervention in reducing loneliness: A meta-analytic review*. [Poster presentation]. International Congress of Psychology, Prague, Czech Republic.

RESEARCH EXPERIENCE

Graduate Research Assistant, Premarital Couple Projects Spring 2025 – Present
Social & Cultural Psychology Lab, Yonsei University

- Prepared IRB documentation and constructed survey batteries for two dyadic longitudinal studies (2022 cohort: $N = 595$ dyads; 2025 cohort: $N = 630$ dyads)
- Processed and analyzed multi-wave dyadic data in SPSS and R
- Trained and supervised research assistants across successive waves of longitudinal data collection

Lab Manager Fall 2025 – Winter 2025
Social & Cultural Psychology Lab, Yonsei University

- Coordinated weekly lab meetings, including agenda setting, presentation scheduling, and circulation of reading materials
- Administered the lab's research budget, participant compensation, and software licensing
- Directed the onboarding and work assignments of research assistants and maintained the lab's data and documentation archive

Undergraduate Research Assistant Spring 2023 – Summer 2024
Counseling Psychology Lab (PI: Boyoung Kim), The Catholic University of Korea

- Executed a meta-analysis of cognitive behavioral and mindfulness-based interventions for loneliness, from systematic literature search and study screening through effect-size estimation

TEACHING EXPERIENCE

Teaching Assistant, The Science of Happiness Fall 2026
Undergraduate course, Department of Psychology, Yonsei University

Teaching Assistant, Korean Language Institute Summer School Summer 2026
Yonsei University Korean Language Institute

Teaching Assistant, Psychology of Interpersonal Relationships Spring 2026
Undergraduate course, Department of Psychology, Yonsei University

Teaching Assistant, Cultural Psychology Spring 2025
Undergraduate course, Department of Psychology, Yonsei University

SCHOLARLY ACTIVITIES

AI and Social Sciences Seminar

Spring 2026 – Present

Yonsei University Center for Arts & Humanities

- Convened and moderated a seminar series on the application of artificial intelligence to social scientific inquiry

Quantitative Methods Instructor

Winter 2025 – Summer 2026

Social & Cultural Psychology Lab, Yonsei University

- Designed and taught weekly sessions introducing incoming lab members to statistical analysis and data management in SPSS and R

Special Interest Group (SIG)

Spring 2026

Yonsei University Center for Teaching & Learning

- Engaged in interdisciplinary research exchange with eight graduate students representing cognitive, neuroscience, and social psychology laboratories

Research Methods and Writing Workshop

Winter 2025

Social & Cultural Psychology Lab, Yonsei University

- Quantitative methods: presented and discussed methodological articles on a rotating basis with nine lab members, clarifying statistical concepts and translating them into analytic strategies for dyadic couple data
- Scientific writing: examined scholarship on APA style and research design, working through the structure of empirical articles and practicing the formulation of research gaps, hypotheses, and preregistration plans

Couple Relationships Journal Club

Summer 2025

Social & Cultural Psychology Lab, Yonsei University

- Presented and critically evaluated two empirical articles per week with five graduate students, spanning sexual satisfaction, conflict, attachment, and personality in close relationships

SKILLS

Statistical software: R, SPSS

Quantitative methods: Dyadic data analysis (APIM, DRSA), structural equation modeling, multilevel and longitudinal modeling
